

San Joaquin Building Futures Academy

California Department of Education School Accountability Report Card Reported Using Data from the 2015-16 School Year

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians, and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Janine Kaeslin, Asst. Superintendent

Principal, San Joaquin Building Futures Academy

About Our School

Welcome to San Joaquin Building Futures Academy Charter School. We are a charter school for 16-24 year olds who have experienced difficulty in completing their high school diploma and learning job skills. We offer small class sizes, multiple support services, and opportunities to become certified in construction technology and employed in the local community.

School Description and Mission Statement (School Year 2016-17)

Mission

We will transform all students' lives through academic achievement and acquisition of 21st Century skills. We commit to using a comprehensive support system to ensure this happens.

Vision

Our school will be a caring, compassionate, safe learning environment where students and staff are inspired, mentored and realize their full potential as life-long learners. Our students will recognize that they have the knowledge and skills to set and attain goals, identify triggers that hinder progress, problem solve, and accept responsibility for their actions. Our students will empower themselves to become better human beings and positive contributors to their community.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School			District
	2014-15	2015-16	2016-17	2016-17
With Full Credential		4	6	168
Without Full Credential		1	1	38
Teachers Teaching Outside Subject Area of Competence (with full credential)		0	0	0

Last updated: 1/31/2017

Teacher Misassignments and Vacant Teacher Positions

Indicator	2014-15	2015-16	2016-17
Misassignments of Teachers of English Learners		0	0
Total Teacher Misassignments*		0	0
Vacant Teacher Positions		0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English learners.

Core Academic Classes Taught by Highly Qualified Teachers (School Year 2015-16)

Location of Classes	Percent of Classes In Core Academic Subjects Taught by Highly Qualified Teachers	Percent of Classes In Core Academic Subjects Not Taught by Highly Qualified Teachers
This School	65.0%	35.0%
All Schools in District	64.0%	36.0%
High-Poverty Schools in District	64.0%	36.0%
Low-Poverty Schools in District	0.0%	0.0%

Note: High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

School Facility Conditions and Planned Improvements

Maintenance and Repair The condition of the school site facilities, including grounds and restrooms, are rated "good." The maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner.

Cleaning Process and Schedule A scheduled maintenance and cleaning program is administered by San Joaquin Building Futures Academy to ensure that all classrooms, restrooms, and facilities are well maintained and in good repair.

Deferred Maintenance Budget N/A Deferred Maintenance Projects N/A

Modernization Projects N/A New School Construction Projects N/A

Data on School Facilities Data on school facilities was collected for SJBFA during July and August 2011. Facility Conditions SJBFA takes great effort to ensure that the school is clean, safe, and functional. To assist in this effort, SJBFA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the school office or the San Joaquin County Office of Education. None of the eight emergency facilities needs specified in Education Code Section 17592.72 (c) (1) exist at the school. The table below details the status of each.

Through a donation from Industry Partners, Teichert Construction and the Laborers Community Education Foundation, the west parking lot was paved and striped.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students

Subject	Percent of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
English Language Arts / Literacy (grades 3-8 and 11)	0.0%	--	22.0%	21.0%	44.0%	48.0%
Mathematics (grades 3-8 and 11)	0.0%	--	12.0%	11.0%	34.0%	36.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Last updated: 1/5/2017

CAASPP Test Results in ELA by Student Group**Grades Three through Eight and Grade Eleven (School Year 2015-16)****ELA - Grade 3**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	--	--	--	--
Male	--	--	--	--
Female	--	--	--	--
Black or African American	--	--	--	--
American Indian or Alaska Native	--	--	--	--
Asian	--	--	--	--
Filipino	--	--	--	--
Hispanic or Latino	--	--	--	--
Native Hawaiian or Pacific Islander	--	--	--	--
White	--	--	--	--
Two or More Races	--	--	--	--
Socioeconomically Disadvantaged	--	--	--	--
English Learners	--	--	--	--
Students with Disabilities	--	--	--	--
Students Receiving Migrant Education Services	--	--	--	--
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Students Receiving Migrant Education Services	--	--	--	--
Foster Youth	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Career Technical Education Programs (School Year 2015-16)

The San Joaquin County Office of Education desires to provide a comprehensive career technical education (CTE) program in both secondary and post-secondary programs that integrate core academic instruction with technical and occupational instruction in order to increase student achievement, graduation rates, and readiness for postsecondary education and employment. The CTE program shall be designed to help students develop the academic, career, and technical skills needed to succeed in a knowledge- and skills-based economy. The program shall include a rigorous academic component and provide students with a strong experience and understanding of all aspects of an industry. The San Joaquin County Office of Education's CTE program shall focus on preparing students to enter current or emerging high-skill, high-wage, and/or high-demand occupations. CTE opportunities may be offered through linked learning programs, partnership academies, apprenticeship programs or orientation to apprenticeships, regional occupational centers or programs, tech prep programs, charter schools, small learning communities, or other programs that expose students to career options while preparing them for future careers in a given industry or interest area. State model curriculum standards for CTE for grades 7-12 integrate the state's academic content standards with industry-specific knowledge and skills in 58 career pathways organized into 15 industry sectors: agriculture and natural resources; arts, media, and entertainment; building trades and construction; education, child development, and family services; energy and utilities; engineering and design; fashion and interior design; finance and business; health science and medical technology; hospitality, tourism, and recreation; information technology; manufacturing and product development; marketing, sales, and service; public services; and transportation. The state's curriculum framework for CTE provides guidance in implementing the state content standards and provides guidance for implementing assessment standards.

*Last updated: 1/31/2017***Career Technical Education Participation (School Year 2015-16)**

Measure	CTE Program Participation
Number of Pupils Participating in CTE	41
Percent of Pupils Completing a CTE Program and Earning a High School Diploma	0.0%
Percent of CTE Courses Sequenced or Articulated Between the School and Institutions of Postsecondary Education	0.0%

*Last updated: 1/31/2017***Courses for University of California (UC) and/or California State University (CSU) Admission**

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

Opportunities for Parental Involvement (School Year 2016-17)

- Parents are considered a part of a team in promoting a student's success.
- Parents are involved in the enrollment process, held at the school site, to provide individual attention.
- Parents are included in Student Study Teams (SSTs) which are held on a regular basis to discuss student behaviors/progress. Translation is provided where necessary.
- Parents are involved in parent teacher conferences which are held at the school site quarterly.
 - Parental involvement in the LCAP Community Meetings
 - Parental involvement in the recent WASC Accreditation process

State Priority: Pupil Engagement

Last updated: 1/31/2017

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School			District			State		
	2012-13	2013-14	2014-15	2012-13	2013-14	2014-15	2012-13	2013-14	2014-15

School Safety Plan (School Year 2016-17)

All COSP school sites have a comprehensive school safety plan in accordance with the Safe Schools policy, which includes a specific emergency operations plan. In compliance with SB 187, the plan is reviewed and revised annually for each school site. Site safety plans are aligned with the National Incident Management System (NIMS) and California Standardized Emergency Management Systems (SEMS) utilizing Incident Command System (ICS). Each document is prepared for the use of employees at a specific school site in the event of an emergency, disaster, or crisis situation. At the beginning of each school year, COSP school site staff update their site specific Emergency Plan. The site specific Emergency plan includes the site safety plan, San Joaquin County Office of Education's Disaster Plan, updated site maps/evacuation routes, and Emergency Medical Services Authority, EMSA emergency first aid guidelines of California Schools. Schools are issued first aid kits and "grab and go" emergency packs in the event of an evacuation. The school nurse collaborates with parents/guardians of students with special needs in order to provide medical emergency kits in accordance with their Individualized School Health Plan, ISHP. A copy of the Emergency Plan binder is housed at the school site and the COSP Director's office and is available for parent/guardian review. COSP also collaborates with community agencies that focus on violence prevention and who provide direct services to students/families; i.e. mental health clinicians, Child Abuse Prevention Council, Fathers, Families, Peacekeepers. ALICE (Alert, Lockdown, Inform, Counter, and Evacuate) update professional development was provided for all Administrative, Support and Teaching staff at the beginning of the 2016-2017 school year. . Annual professional development is offered in managing assaultive behavior, mental health first aid and classroom management skill building. Also at the beginning of the school year the school counselors distributes a crisis file and provides on-line resources for teaching and support staff. County Operated Schools and Programs staff resources include: • Directions to follow in case of an emergency, crisis or injury, lockdown, or active shooter(s) or dangerous person(s) on or near campus • COSP Emergency Hotline phone number • A bomb threat checklist • Listing of emergency phone numbers • Tips for de-escalating a conflict • Suicide intervention information, suicide hotline and San Joaquin County Mental Health contact information • Resource numbers (Runaway hotline, shelter and "safe house" contact numbers, Public Health immunization and HIV/AIDS information) • Child abuse prevention information • CPS reporting form • State laws pertaining to unlawful conduct and sexual intercourse with a minor • Smoking cessation resource list • Community Resources In order to promote safety and mitigate negative interactions, students participate in bullying prevention, life skills and positive relationship building activities though out the school year

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Professional Development

San Joaquin County Community Schools devote the following time for professional development: 7 full days 2 half days 21 one and a half to two hour sessions 7 one hour sessions. A comprehensive professional development plan is in place that was developed from teacher feedback, state changes in curriculum and student achievement data. The following elements are included in the plan:

- Monthly training in the District Adopted Curriculum/Subject Matter competency (CCSS): Monthly meetings to support teachers with Subject Matter Competency and becoming Highly Qualified Teachers (HQT), through a partnership with Professional Development Department of the San Joaquin County Office of Education. Subject matter competency for all teachers is provided through the Verification Process for Special Settings (VPSS). These subject matter consultants provide training to teachers once a month in the core content areas of mathematics, English/language arts, social studies and science. The consultants may observe individual teachers in the classroom and teach model lessons to provide peer-to-peer coaching that focuses on subject matter competency and engaging instructional strategies. Common Core Training is included in these trainings.
- Data Teams: 2 ½ day Trainings plus 5 additional hours of training in Data and 10.5 hours of site team collaboration for analyzing student data.
- Six Region Meetings where data, program issues and site concerns are identified and discussed.
- Rigor, Relevance and Relationships (RRR) training: Consultants from the International Center for Leadership in Education were brought in to train the teaching staff and administrators. The RRR focus was supported through monthly meetings led first by teams of administrators and teachers, then through teacher leaders and continues with teacher leaders and our curriculum coordinator. The teachers have yearly professional goals that are tied to RRR. New teachers are trained in this prior to the new school year.
- English Learner (ELL) training is provided through the San Joaquin County Office of Education Multi-lingual Department. Trainings include: Edge curriculum, Structures and Strategies, Consultant training, curriculum integration, assessment and coaching.
- Quarterly release time for teachers to participate in Learning Walks
- PLC- Quarterly uploads for self-designated PLC time.
- Math Pilot: -8 Days of release time
- 1 Ed Camp modeled Teacher Event- 1.5 hours (The Big Deal)
- Teacher participation in textbook adoptions, which includes review, pilot and subsequent program alignment training to ensure effectiveness of implementation.
- Various workshops, conferences and training which include, but are not limited to:
 - o Mindfulness
 - o Independent Study Conference should be included
 - o Great Valley Writing Project
 - o Northwestern Evaluation Assessment
 - o PLATO Online Learning Solutions
 - o CA Science Teachers Association's Annual Conference
 - o CUE Conferences
 - o Bully Proof your Classroom and School Safety Conferences
 - o GLAD Training
 - o Common Core Trainings
 - o Independent Study Conference
 - o The Big Deal
