Projected special education budget funding, revenues, and expenditures by LEAs are specified in **Attachments II–V**. This includes supplemental aids and services provided to meet the needs of students with disabilities as defined by the Individuals with Disabilities Education Act (IDEA) who are placed in regular education classrooms and environments, and those who have been identified with low incidence disabilities who also receive special education services.

IMPORTANT: Pursuant to California *Education Code (EC)* Section 56048, adjustments to any year's apportionment must be received by the California Department of Education (CDE) from the SELPA prior to the end of the first fiscal year (FY) following the FY to be adjusted. The CDE will consider and adjust only the information and computational factors originally established during an eligible FY, if the CDE's review determines that they are correct.

Pursuant to *EC* Section 56195.1(2)(b)(3), each Local Plan must include the designation of an administrative entity to perform functions such as the receipt and distribution of funds. Any participating local educational agency (LEA) may perform these services. The administrative entity for a multiple LEA SELPA or an LEA that joined with a county office of education (COE) to form a SELPA, is typically identified as a responsible local agency or administrative unit.
