Local Control and Accountability Plan and Annual Update Template

The Local Control and Accountability Plan (LCAP) and Annual Update Template shall be used to provide details regarding local educational agencies' (LEAs) actions and expenditures to support pupil outcomes and overall performance pursuant to Education Code sections 52060, 52066, 47605, 47605.5, and 47606.5. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, pursuant to Education Code section 52060, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities and any locally identified priorities.

For county offices of education, pursuant to Education Code section 52066, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, who are funded through the county office of education Local Control Funding Formula as identified in Education Code section 2574 (pupils attending juvenile court schools, on probation or parole, or mandatorily expelled) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services provided to pupils funded by a school district but attending county-operated schools and programs, including special education programs.

Charter schools, pursuant to Education Code sections 47605, 47605.5, and 47606.5, must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities as applicable and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code.

The LCAP is intended to be a comprehensive planning tool. Accordingly, in developing goals, specific actions, and expenditures, LEAs should carefully consider how to reflect the services and related expenses for their basic instructional program in relationship to the state priorities. LEAs may reference and describe actions and expenditures in other plans and funded by a variety of other fund sources when detailing goals, actions, and expenditures related to the state and local priorities. LCAPs must be consistent with school plans submitted pursuant to Education Code section 64001. The information contained in the LCAP, or annual update, may be supplemented by information contained in other plans (including the LEA plan pursuant to Section 1112 of Subpart 1 of Part A of Title I of Public Law 107-110) that are incorporated or referenced as relevant in this document.

For each section of the template, LEAs shall comply with instructions and should use the guiding questions as prompts (but not limits) for completing the information as required by statute. Guiding questions do not require separate narrative responses. However, the narrative response and goals and actions should demonstrate each guiding question was considered during the development of the plan. Data referenced in the LCAP must be consistent with the school accountability report card where appropriate. LEAs may resize pages or attach additional pages as necessary to facilitate completion of the LCAP.

State Priorities

The state priorities listed in Education Code sections 52060 and 52066 can be categorized as specified below for planning purposes, however, school districts and county offices of education must address each of the state priorities in their LCAP. Charter schools must address the priorities in Education Code section 52060(d) that apply to the grade levels served, or the nature of the program operated, by the charter school.

A. Conditions of Learning:

Basic: degree to which teachers are appropriately assigned pursuant to Education Code section 44258.9, and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials pursuant to Education Code section 60119; and school facilities are maintained in good repair pursuant to Education Code section 17002(d). (Priority 1)

Implementation of State Standards: implementation of academic content and performance standards and English language development standards adopted by the state board for all pupils, including English learners. (Priority 2)

Course access: pupil enrollment in a broad course of study that includes all of the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Section 51220, as applicable. (Priority 7)

Expelled pupils (for county offices of education only): coordination of instruction of expelled pupils pursuant to Education Code section 48926. (Priority 9)

Foster youth (for county offices of education only): coordination of services, including working with the county child welfare agency to share information, responding to the needs of the juvenile court system, and ensuring transfer of health and education records. (Priority 10)

B. Pupil Outcomes:

Pupil achievement: performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with 3 or higher, share of pupils determined prepared for college by the Early Assessment Program. (Priority 4)

Other pupil outcomes: pupil outcomes in the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Education Code section 51220, as applicable. (Priority 8)

C. Engagement:

Parental involvement: efforts to seek parent input in decision making at the district and each schoolsite, promotion of parent participation in programs for unduplicated pupils and special need subgroups. (Priority 3)

Pupil engagement: school attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, high school graduations rates. (Priority 5)

School climate: pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, parents and teachers on the sense of safety and school connectedness. (Priority 6)

Section 1: Stakeholder Engagement

Meaningful engagement of parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, is critical to the LCAP and budget process. Education Code sections 52060(g), 52062 and 52063 specify the minimum requirements for school districts; Education Code sections 52066(g), 52068 and 52069 specify the minimum requirements for county offices of education, and Education Code section 47606.5 specifies the minimum requirements for charter schools. In addition, Education Code section 48985 specifies the requirements for translation of documents.

Instructions: Describe the process used to consult with parents, pupils, school personnel, local bargaining units as applicable, and the community and how this consultation contributed to development of the LCAP or annual update. Note that the LEA’s goals, actions, services and expenditures related to the state priority of parental involvement are to be described separately in Section 2. In the annual update boxes, describe the stakeholder involvement process for the review, and describe its impact on, the development of the annual update to LCAP goals, actions, services, and expenditures.

Guiding Questions:

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in Education Code section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA’s process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA’s engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to Education Code sections 52062, 52068, and 47606.5, including engagement with representatives of parents and guardians of pupils identified in Education Code section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 CCR 15495(a)?
- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

Involvement Process	Impact on LCAP
<p>Beginning in October 2015, JESD began collecting data and developing a timeline for completing the LCAP. The process that was created focused on increasing stakeholder engagement and ensuring transparency. The District started by collecting data on progress towards goals and worked with the LCAP Advisory Committee to plan for community engagement. The District conducted a community survey to determine areas the community saw as priorities. Using that data the district then prepared for community forums in which District data was shared including community survey results and then</p>	<p>The LCAP engagement process was utilized as an opportunity to inform, educate, and gather input from community stakeholders. Throughout the planning process LCAP feedback was continually combined with the original input from the community survey and identified areas of improvement. Using the LCFF/LCAP legislation/requirements, State priorities, community input, qualitative and quantitative data, and budgets, a draft LCAP was produced. After roughly fifteen different meetings, the District identified common recurring themes, which are identified below. These themes are reflected in</p>

<p>Annual Update: Beginning in October 2015, JESD began collecting data and developing a timeline for completing the LCAP. One of the first steps was to collect data on the progress towards the goals included in the 2015-2016 plan. This data was used in the numerous LCAP input sessions to provide stakeholders with an update on the annual progress. The Annual Update served as a springboard to revise and improve the 2016-2019 LCAP Plan.</p>	<p>Annual Update: Sharing the Annual Update with stakeholders provided an opportunity to review what was working and realign the State priorities with the goals. The LCAP Advisory Committee utilized the input from the various stakeholder groups to make minor changes to the 2016-2019 LCAP.</p>

Section 2: Goals, Actions, Expenditures, and Progress Indicators

Instructions:

All LEAs must complete the LCAP and Annual Update Template each year. The LCAP is a three-year plan for the upcoming school year and the two years that follow. In this way, the program and goals contained in the LCAP align with the term of a school district and county office of education budget and multiyear budget projections. The Annual Update section of the template reviews progress made for each stated goal in the school year that is coming to a close, assesses the effectiveness of actions and services provided, and describes the changes made in the LCAP for the next three years that are based on this review and assessment.

Charter schools may adjust the table below to align with the term of the charter school’s budget that is submitted to the school’s authorizer pursuant to Education Code section 47604.33.

For school districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for charter schools, Education Code section 47606.5 require(s) the LCAP to include a description of the annual goals, for all pupils and each subgroup of pupils, to be achieved for each state priority as defined in 5 CCR 15495(i) and any local priorities; a description of the specific actions an LEA will take to meet the identified goals; a description of the expenditures required to implement the specific actions; and an annual update to include a review of progress towards the goals and describe any changes to the goals.

To facilitate alignment between the LCAP and school plans, the LCAP shall identify and incorporate school-specific goals related to the state and local priorities from the school plans submitted pursuant to Education Code section 64001. Furthermore, the LCAP should be shared with, and input requested from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, pupil advisory groups, etc.) to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet the goal.

Using the following instructions and guiding questions, complete a goal table (see below) for each of the LEA’s goals. Duplicate and expand the fields as necessary.

Goal: Describe the goal:

When completing the goal tables, include goals for all pupils and specific goals for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and, where applicable, at the schoolsite level. The LEA may identify which schoolsites and subgroups have the same goals, and group and describe those goals together. The LEA may also indicate those goals that are not applicable to a specific subgroup or schoolsite.

Related State and/or Local Priorities: Identify the state and/or local priorities addressed by the goal by placing a check mark next to the applicable priority or priorities. The LCAP must include goals that address each of the state priorities, as defined in 5 CCR 15495(i), and any additional local priorities; however, one goal may address multiple priorities.

Identified Need: Describe the need(s) identified by the LEA that this goal addresses, including a description of the supporting data used to identify the need(s).

Schools: Identify the schoolsites to which the goal applies. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5).

Applicable Pupil Subgroups: Identify the pupil subgroups as defined in Education Code section 52052 to which the goal applies, or indicate “all” for all pupils.

Expected Annual Measurable Outcomes: For each LCAP year, identify and describe specific expected measurable outcomes for all pupils using, at minimum, the applicable required metrics for the related state priorities. Where applicable, include descriptions of specific expected measurable outcomes for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and at the schoolsite level.

The metrics used to describe the expected measurable outcomes may be quantitative or qualitative, although the goal tables must address all required metrics for every state priority in each LCAP year. The required metrics are the specified measures and objectives for each state priority as set forth in Education Code sections 52060(d) and 52066(d). For the pupil engagement priority metrics, LEAs must calculate the rates specified in Education Code sections 52060(d)(5)(B), (C), (D) and (E) as described in the Local Control Accountability Plan and Annual Update Template Appendix, sections (a) through (d).

Action/Services: For each LCAP year, identify all annual actions to be performed and services provided to meet the described goal. Actions may describe a group of services that are implemented to achieve the identified goal.

Scope of Service: Describe the scope of each action/service by identifying the schoolsites covered. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5). If supplemental and concentration funds are used to support the action/service, the LEA must identify if the scope of service is districtwide, schoolwide, countywide, or charterwide.

Pupils to be served within identified scope of service: For each action/service, identify the pupils to be served within the identified scope of service. If the action to be performed or the service to be provided is for all pupils, place a check mark next to “ALL.”

For each action and/or service to be provided above what is being provided for all pupils, place a check mark next to the applicable unduplicated pupil subgroup(s) and/or other pupil subgroup(s) that will benefit from the additional action, and/or will receive the additional service. Identify, as applicable, additional actions and services for unduplicated pupil subgroup(s) as defined in Education Code section 42238.01, pupils redesignated fluent English proficient, and/or pupils subgroup(s) as defined in Education Code section 52052.

Budgeted Expenditures: For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA’s budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by Education Code sections 52061, 52067, and 47606.5.

Guiding Questions:

- 1) What are the LEA’s goal(s) to address state priorities related to “Conditions of Learning”?
- 2) What are the LEA’s goal(s) to address state priorities related to “Pupil Outcomes”?
- 3) What are the LEA’s goal(s) to address state priorities related to parent and pupil “Engagement” (e.g., parent involvement, pupil engagement, and school climate)?
- 4) What are the LEA’s goal(s) to address any locally-identified priorities?
- 5) How have the unique needs of individual schoolsites been evaluated to inform the development of meaningful district and/or individual schoolsite goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
- 6) What are the unique goals for unduplicated pupils as defined in Education Code sections 42238.01 and subgroups as defined in section 52052 that are different from the LEA’s goals for all pupils?
- 7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?
- 9) What information was considered/reviewed for individual schoolsites?
- 10) What information was considered/reviewed for subgroups identified in Education Code section 52052?
- 11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to Education Code section 52052, to specific schoolsites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 12) How do these actions/services link to identified goals and expected measurable outcomes?
- 13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA’s budget?

LCAP Year 1: 2016-17

Expected Annual Measurable Outcomes:

Priority 2A: Implementation of the CCSS will continue to improve and become more rigorous each year, as measured by classroom observation, data, and professional development. Initial CCSS focus has been on math due to the CCSS aligned textbook adoption in 2014, but with an ELA pilot adoption more focus will be placed on ELA and science.

Priority 2B: English Learners will continue to be screened and provided additional interventions. All English Learners will receive 30 minutes a day focused on ELD standards and will still have access to a broad course of study.

Priority 4A: CAASPP base scores: 50% of the students in the district met or exceeded the standard for ELA and 41% of the students met or exceeded the standard for math. The 5th grade science CSTs for 14/15 were 71% a 4% increase over 13/14. The 8th grade science CSTs for 8th 14/15 were 61% a 5% decrease over 13/14. JSD expects to see a 2% increase annually on all state assessments.

Priority 4B: NA

Priority 4C: In the 14/15 school year two of the three middle schools increased CTE offerings.

Priority 4D/E: AMAO 1 Progress in Learning English in 14/15 was 70.5% and the State target was 60.5%. AMAO 2 Percent Proficient on CELDT: Cohort less than 5 years: 43.4% and Cohorts 5 or more years 78.9%. The EL reclassification rate for 14/15 year was 11%.

Priority 4F: NA

Priority 4G: NA

Priority 7A: A broad course of study that includes technology, CTE, and performing arts to students in grades 7-8. We expect to see more students at all three middle schools have greater enrichment opportunities as verified by master schedules and class rosters. In 2015, 21 courses district-wide were offered to 5-8th grade students. A broad course of study that includes technology and performing arts is available to all students TK-6.

Priority 7B: Unduplicated students will have access to a broad course of study while still having access to all support programs they qualify for as verified by master schedules and class rosters.

Priority 7C: Students with exceptional needs will have access to a broad course of study while still having access to all support programs they qualify for as verified by master schedules and class rosters. Analyzing the master schedules has shown that students' placement in support classes may prevent them from accessing other enrichment courses. This problem will be addressed in the master schedule to lessen the scheduling conflict.

Priority 8: In 13/14 there were 83 initial IEPs and 57 students qualified. In 14/15 there were 65 initial IEPs and 30 students qualified. The District plans to use this year as a baseline year to develop a comprehensive research based RTI program. The RTI program will show a decrease in the TK-8 % of students qualifying for special education services.

LCAP Year 2: 2017-18

Expected Annual Measurable Outcomes:

Priority 2A: Implementation of the CCSS will continue to improve and become more rigorous each year, as measured by classroom observation, data, and professional development. Initial CCSS focus has been on math due to the CCSS aligned textbook adoption in 2014, but with an ELA pilot adoption more focus will be placed on ELA and science.

Priority 2B: English Learners will continue to be screened and provided additional interventions. All English Learners will receive 30 minutes a day focused on ELD standards and will still have access to a broad course of study.

Priority 4A: CAASPP base scores: 50% of the students in the district met or exceeded the standard for ELA and 41% of the students met or exceeded the standard for math. The 5th grade science CSTs for 14/15 were 71% a 4% increase over 13/14. The 8th grade science CSTs for 8th 14/15 were 61% a 5% decrease over 13/14. JSD expects to see a 2% increase annually on all state assessments.

Priority 4B: NA

Priority 4C: In the 14/15 school year two of the three middle schools increased CTE offerings.

Priority 4D/E: AMAO 1 Progress in Learning English in 14/15 was 70.5% and the State target was 60.5%. AMAO 2 Percent Proficient on CELDT: Cohort less than 5 years: 43.4% and Cohorts 5 or more years 78.9%. The EL reclassification rate for 14/15 year was 11%.

Priority 4F: NA

Priority 4G: NA

Priority 7A: A broad course of study that includes technology, CTE, and performing arts to students in grades 7-8. We expect to see more students at all three middle schools have greater enrichment opportunities as verified by master schedules and class rosters. In 2015, 21 courses district-wide were offered to 5-8th grade students. A broad course of study that includes technology and performing arts is available to all students TK-6.

Priority 7B: Unduplicated students will have access to a broad course of study while still having access to all support programs they qualify for as verified by master schedules and class rosters.

Priority 7C: Students with exceptional needs will have access to a broad course of study while still having access to all support programs they qualify for as verified by master schedules and class rosters. Analyzing the master schedules has shown that students' placement in support classes may prevent them from accessing other enrichment courses. This problem will be addressed in the master schedule to lessen the scheduling conflict.

Priority 8: In 13/14 there were 83 initial IEPs and 57 students qualified. In 14/15 there were 65 initial IEPs and 30 students qualified. The District plans to use this year as a baseline year to develop a comprehensive research based RTI program. The RTI program will show a decrease in the TK-8 % of students qualifying for special education services.

Annual Update

Annual Update Instructions: For each goal in the prior year LCAP, review the progress toward the expected annual outcome(s) based on, at a minimum, the required metrics pursuant to Education Code sections 52060 and 52066. The review must include an assessment of the effectiveness of the specific actions. Describe any changes to the actions or goals the LEA will take as a result of the review and assessment. In addition, review the applicability of each goal in the LCAP.

Guiding Questions:

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to Education Code section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific schoolsites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

Expected Annual Measurable Outcomes:	<p>Priority 2: Common Core State Standards (CCSS) were adopted by JESD in the 2012-2013 year. Implementation of the CCSS will continue to improve and become more rigorous each year, as measured by classroom observation, data, and professional development. Initial CCSS focus has been on math due to the CCSS aligned textbook adoption in 2014, but with an ELA pilot adoption more focus will be placed on ELA and science.</p> <p>Priority 2: English Learners will continue to be screened and provided additional interventions. All English Learners will receive 30 minutes a day focused on ELD standards and will still have access to a broad course of study.</p> <p>Priority 4A: CAASPP base scores will not be available until Fall of 2016. The science CSTs have continued and the 5th grade science scores for 13/14 were 67% and for 8th grade science 67%. JSD expects to see a 2% increase annually on the 5/8th grade science scores.</p> <p>Priority 4B: NA</p> <p>Priority 4C: Currently no 7/8th grade students are receiving Career Tech Education. Increase opportunities by 5% annually for students to complete CTE classes.</p> <p>Priority 4D: JSD English Learners continue to perform above the state goal for proficiency on the CELDT. The state proficiency goal for EL students in the cohort less than 5 years was 22.8% in 13/14 and JSD students score 45.7% proficient. This rate will continue to improve annually.</p> <p>Priority 4E: The EL reclassification rate for 2012-2013 year was 8%. The reclassification rate declined in 2013-2014 (3.5%) and 2014-2015 (0%) due to the fact that the District did not have another measure than STAR to use for reclassification. number of EL students in the cohort 5 years or more (LTEL) will decrease. In 13/14 the state proficiency level was 49% and Jefferson had LTEL students in the 5 year or more cohort were 81.1%, we expect this number to remain above 80% for this cohort while trying to reduce the overall number of students in this cohort.

 Priority 4G: NA
 Priority 7A: A broad course of study that includes technology, CTE, and performing arts to students in grades 7-8. We expect to see more students at all three middle schools have greater enrichment opportunities as verified by master schedules and class rosters. In 2014, 7 courses district-wide were offered to 7-8th grade students. A broad course of study that includes technology and performing arts is available to all students TK-6.
 Priority 7B: Unduplicated students will have access to a broad course of study while still having access to all support programs they qualify for as verified by master schedules and class rosters..
 Priority 7C: Students with exceptional needs will have access to a broad course of study while still having access to all support programs they qualify for as verified by master schedules and class rosters. Analyzing the master schedules has shown that students' placement in support classes may prevent them from accessing other enrichment courses. This problem will be addressed in the master schedule to lessen the scheduling conflict.
 Priority 8: In 13/14 there were 83 initial IEPs and 57 students qualified. In 14/15 there were 65 initial IEPs and 30 students qualified. The District plans to use this year as a baseline year to develop a comprehensive research based RTI program. The RTI program will show a decrease in the TK-8 % of students qualifying for special education services.

We expect to see more students at all three middle schools have greater enrichment opportunities as verified by master schedules and class rosters. In 2015, 21 courses district-wide were offered to 5-8th grade students. A broad course of study that includes technology and performing arts is available to all students TK-6.

Effectiveness of programs and services as it relates to student achievement: Metric data indicates that English learners made significant progress towards English proficiency, 5th grade science CST scores increased and all 3rd through 8th grade students taking the CAASPP, performed above the state's average on the English Language Arts and the Math sections of the assessment. District/Site programs and services were effective and will continue in 16-17.

What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?		Action/Service 3.3 in Goal 3 was completed and will be dropped from the 16-17 LCAP. Action/Service 3.8 will be added to Goal 3 in the 16-17 LCAP and will focus on reducing class size for 4th-8th grades.		

Complete a copy of this table for each of the LEA's goals in the prior year LCAP. Duplicate and expand the fields as necessary.

Section 3: Use of Supplemental and Concentration Grant funds and Proportionality

A. In the box below, identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner pupils as determined pursuant to 5 CCR 15496(a)(5).

Describe how the LEA is expending these funds in the LCAP year. Include a description of, and justification for, the use of any funds in a districtwide, schoolwide, countywide, or charterwide manner as specified in 5 CCR 15496.

For school districts with below 55 percent of enrollment of unduplicated pupils in the district or below 40 percent of enrollment of unduplicated pupils at a schoolsite in the LCAP year, when using supplemental and concentration funds in a districtwide or schoolwide manner, the school district must additionally describe how the services provided are the most effective use of funds to meet the district’s goals for unduplicated pupils in the state and any local priority areas. (See 5 CCR 15496(b) for guidance.)

Total amount of Supplemental and Concentration grant funds calculated:	<u>\$887,672</u>
<p>Jefferson School District’s 2016-2017 LCFF Supplemental & Concentration funding will be \$887,672. In 2015-16, the estimated expenses are \$842,161. The increase in budgeted expenditures is primarily related to the addition of a third instructional coach and having all three instructional coach positions district funded beginning in 2016-17.</p> <p>The district will focus on providing additional instructional time and support for all English Learners (EL), Foster Youth (FY), and Low Income (LI) students. Summer School, Response to Intervention, and after school intervention will be provided for EL, FY, and LI students at all grade levels. The district will purchase formative assessments and staff will meet each month to monitor EL, FY, and LI student’s progress towards the CCSS. The District will implement Guided Language Acquisition and Development (GLAD) strategies in all TK-2 classes. Finally, all administrators and coaches will be trained on the new EL standards and the Instructional Round process to monitor best first instruction that meets the diverse needs of EL, FY, and LI students.</p> <p>While the District listed supplemental funds in a few “Districtwide” goals there was no intent to spend Supplemental Funds on a “Districtwide” basis. All supplemental funds will go directly to students that were identified low income, foster youth, and/or English learner.</p>	

B. In the box below, identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all pupils in the LCAP year as calculated pursuant to 5 CCR 15496(a).

Consistent with the requirements of 5 CCR 15496, demonstrate how the services provided in the LCAP year for low income pupils, foster youth, and English learners provide for increased or improved services for these pupils in proportion to the increase in funding provided for such pupils in that year as calculated pursuant to 5 CCR 15496(a)(7). An LEA shall describe how the proportionality percentage is met using a quantitative and/or qualitative description of the increased and/or improved services for unduplicated pupils as compared to the services provided to all pupils.

5.24	%
<p>Jefferson School District’s proportionality percentage of 5.24% results in a total LCFF Supplemental allocation of \$887,672. These funds provide EL, FY, and LI students with alternative supports, including summer school, after school intervention, and Response to Intervention.. In addition, all teachers will be provided one minimum day on meeting</p>	

the needs of EL, FY, and LI and teachers will receive GLAD training.
