

Introduction:

LEA: Lodi Unified School District **Contact (Name, Title, Email, Phone Number):** Dr. Cathy Washer, Superintendent, cwasher@lodiUSD.net, 209-331-7010 **LCAP Year:** 2016-2017

Local Control and Accountability Plan and Annual Update Template

The Local Control and Accountability Plan (LCAP) and Annual Update Template shall be used to provide details regarding local educational agencies' (LEAs) actions and expenditures to support pupil outcomes and overall performance pursuant to Education Code sections 52060, 52066, 47605, 47605.5, and 47606.5. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, pursuant to Education Code section 52060, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities and any locally identified priorities.

For county offices of education, pursuant to Education Code section 52066, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, who are funded through the county office of education Local Control Funding Formula as identified in Education Code section 2574 (pupils attending juvenile court schools, on probation or parole, or mandatorily expelled) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services provided to pupils funded by a school district but attending county-operated schools and programs, including special education programs.

Charter schools, pursuant to Education Code sections 47605, 47605.5, and 47606.5, must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities as applicable and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code.

The LCAP is intended to be a comprehensive planning tool. Accordingly, in developing goals, specific actions, and expenditures, LEAs should carefully consider how to reflect the services and related expenses for their basic instructional program in relationship to the state priorities. LEAs may reference and describe actions and expenditures in other plans and funded by a variety of other fund sources when detailing goals, actions, and expenditures related to the state and local priorities. LCAPs must be consistent with school plans submitted pursuant to Education Code section 64001. The information contained in the LCAP, or annual update, may be supplemented by information contained in other plans (including the LEA plan pursuant to Section 1112 of Subpart 1 of Part A of Title I of Public Law 107-110) that are incorporated or referenced as relevant in this document.

For each section of the template, LEAs shall comply with instructions and should use the guiding questions as prompts (but not limits) for completing the information as required by statute. Guiding questions do not require separate narrative responses. However, the narrative response and goals and actions should demonstrate each guiding question was considered during the development of the plan. Data referenced in the LCAP must be consistent with the school accountability report card where appropriate. LEAs may resize pages or attach additional pages as necessary to facilitate completion of the LCAP.

State Priorities

The state priorities listed in Education Code sections 52060 and 52066 can be categorized as specified below for planning purposes, however, school districts and county offices of education must address each of the state priorities in their LCAP. Charter schools must address the priorities in Education Code section 52060(d) that apply to the grade levels served, or the nature of the program operated, by the charter school.

A. Conditions of Learning:

Basic: degree to which teachers are appropriately assigned pursuant to Education Code section 44258.9, and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials pursuant to Education Code section 60119; and school facilities are maintained in good repair pursuant to Education Code section 17002(d). (Priority 1)

Implementation of State Standards: implementation of academic content and performance standards and English language development standards adopted by the state board for all pupils, including English learners. (Priority 2)

Course access: pupil enrollment in a broad course of study that includes all of the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Section 51220, as applicable. (Priority 7)

Expelled pupils (for county offices of education only): coordination of instruction of expelled pupils pursuant to Education Code section 48926. (Priority 9)

Foster youth (for county offices of education only): coordination of services, including working with the county child welfare agency to share information, responding to the needs of the juvenile court system, and ensuring transfer of health and education records. (Priority 10)

B. Pupil Outcomes:

Pupil achievement: performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with 3 or higher, share of pupils determined prepared for college by the Early Assessment Program. (Priority 4)

Other pupil outcomes: pupil outcomes in the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Education Code section 51220, as applicable. (Priority 8)

C. Engagement:

Parental involvement: efforts to seek parent input in decision making at the district and each schoolsite, promotion of parent participation in programs for unduplicated pupils and special need subgroups. (Priority 3)

Pupil engagement: school attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, high school graduations rates. (Priority 5)

School climate: pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, parents and teachers on the sense of safety and school connectedness. (Priority 6)

Section 1: Stakeholder Engagement

Meaningful engagement of parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, is critical to the LCAP and budget process. Education Code sections 52060(g), 52062 and 52063 specify the minimum requirements for school districts; Education Code sections 52066(g), 52068 and 52069 specify the minimum requirements for county offices of education, and Education Code section 47606.5 specifies the minimum requirements for charter schools. In addition, Education Code section 48985 specifies the requirements for translation of documents.

Instructions: Describe the process used to consult with parents, pupils, school personnel, local bargaining units as applicable, and the community and how this consultation contributed to development of the LCAP or annual update. Note that the LEA’s goals, actions, services and expenditures related to the state priority of parental involvement are to be described separately in Section 2. In the annual update boxes, describe the stakeholder involvement process for the review, and describe its impact on, the development of the annual update to LCAP goals, actions, services, and expenditures.

Guiding Questions:

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in Education Code section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA’s process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA’s engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to Education Code sections 52062, 52068, and 47606.5, including engagement with representatives of parents and guardians of pupils identified in Education Code section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 CCR 15495(a)?
- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

Involvement Process	Impact on LCAP
<p>The LUSD LCAP Committee, consisting of the Superintendent and seven representatives from the budget and curriculum departments, provided training and information to all stakeholders, oversaw the gathering of input, shared critical information through updates and follow-up meetings, and produced the LCAP document. The steps followed during the LCAP process are as follows:</p> <ul style="list-style-type: none"> • LUSD parents and community members represent the majority 	<p>Input was gained from stakeholders whose input assisted the LCAP team in identifying critical issues. After the input was gathered, the administrative LCAP team made changes and aligned available resources to the "new" LCAP, Year 1, Year 2, and Year 3. The Draft LCAP and the input from the stakeholders once again went to the Board for review. Changes are made if indicated by the Board. In March, the Draft LCAP went to the stakeholder groups for comments or questions. The questions were then directed to the Superintendent who is required to respond to those questions. The Draft LCAP was taken back to the</p>

membership of the LCAP Committee and EL LCAP Committees. Each of the committees were offered the opportunity for parents to give input.

- The LCAP Committee and the EL LCAP Committee were consulted and provided input.
- LCAP Information was shared with all stakeholders in various formats. The schedule of these meetings is located below.
- During each meeting, an update on the implementation of the 15-16 LCAP was given. Input from those present was taken. Questions regarding LCFF funding, and LCAP Actions and Services were responded to. Available data relevant to the LCAP Actions and Services was also shared.
- LUSD parents participated in the LCAP Committee and EL LCAP Committee. Each of the committees offered an opportunity for parents to give input.

Board for review. In June, a Public hearing was held to allow public comment regarding the 2016 - 2019 LCAP. The Board approved the 2016 - 2019 LCAP the following meeting in June.

<p>Annual Update: An update on implementation of the 15-16 LCAP was given at each meeting. Providing data as it became available. This allowed the district to keep all stakeholders informed of the progress. It also allowed stakeholders the opportunity to give the district feedback.</p>	<p>Annual Update: Actions/Services, budgeted amounts, timelines, etc. were adjusted based on review of the 15-16 LCAP. Some actions and services were adjusted to better address the goals.</p>

Section 2: Goals, Actions, Expenditures, and Progress Indicators

Instructions:

All LEAs must complete the LCAP and Annual Update Template each year. The LCAP is a three-year plan for the upcoming school year and the two years that follow. In this way, the program and goals contained in the LCAP align with the term of a school district and county office of education budget and multiyear budget projections. The Annual Update section of the template reviews progress made for each stated goal in the school year that is coming to a close, assesses the effectiveness of actions and services provided, and describes the changes made in the LCAP for the next three years that are based on this review and assessment.

Charter schools may adjust the table below to align with the term of the charter school’s budget that is submitted to the school’s authorizer pursuant to Education Code section 47604.33.

For school districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for charter schools, Education Code section 47606.5 require(s) the LCAP to include a description of the annual goals, for all pupils and each subgroup of pupils, to be achieved for each state priority as defined in 5 CCR 15495(i) and any local priorities; a description of the specific actions an LEA will take to meet the identified goals; a description of the expenditures required to implement the specific actions; and an annual update to include a review of progress towards the goals and describe any changes to the goals.

To facilitate alignment between the LCAP and school plans, the LCAP shall identify and incorporate school-specific goals related to the state and local priorities from the school plans submitted pursuant to Education Code section 64001. Furthermore, the LCAP should be shared with, and input requested from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, pupil advisory groups, etc.) to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet the goal.

Using the following instructions and guiding questions, complete a goal table (see below) for each of the LEA’s goals. Duplicate and expand the fields as necessary.

Goal: Describe the goal:

When completing the goal tables, include goals for all pupils and specific goals for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and, where applicable, at the schoolsite level. The LEA may identify which schoolsites and subgroups have the same goals, and group and describe those goals together. The LEA may also indicate those goals that are not applicable to a specific subgroup or schoolsite.

Related State and/or Local Priorities: Identify the state and/or local priorities addressed by the goal by placing a check mark next to the applicable priority or priorities. The LCAP must include goals that address each of the state priorities, as defined in 5 CCR 15495(i), and any additional local priorities; however, one goal may address multiple priorities.

Identified Need: Describe the need(s) identified by the LEA that this goal addresses, including a description of the supporting data used to identify the need(s).

Schools: Identify the schoolsites to which the goal applies. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5).

Applicable Pupil Subgroups: Identify the pupil subgroups as defined in Education Code section 52052 to which the goal applies, or indicate “all” for all pupils.

Expected Annual Measurable Outcomes: For each LCAP year, identify and describe specific expected measurable outcomes for all pupils using, at minimum, the applicable required metrics for the related state priorities. Where applicable, include descriptions of specific expected measurable outcomes for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and at the schoolsite level.

The metrics used to describe the expected measurable outcomes may be quantitative or qualitative, although the goal tables must address all required metrics for every state priority in each LCAP year. The required metrics are the specified measures and objectives for each state priority as set forth in Education Code sections 52060(d) and 52066(d). For the pupil engagement priority metrics, LEAs must calculate the rates specified in Education Code sections 52060(d)(5)(B), (C), (D) and (E) as described in the Local Control Accountability Plan and Annual Update Template Appendix, sections (a) through (d).

Action/Services: For each LCAP year, identify all annual actions to be performed and services provided to meet the described goal. Actions may describe a group of services that are implemented to achieve the identified goal.

Scope of Service: Describe the scope of each action/service by identifying the schoolsites covered. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5). If supplemental and concentration funds are used to support the action/service, the LEA must identify if the scope of service is districtwide, schoolwide, countywide, or charterwide.

Pupils to be served within identified scope of service: For each action/service, identify the pupils to be served within the identified scope of service. If the action to be performed or the service to be provided is for all pupils, place a check mark next to “ALL.”

For each action and/or service to be provided above what is being provided for all pupils, place a check mark next to the applicable unduplicated pupil subgroup(s) and/or other pupil subgroup(s) that will benefit from the additional action, and/or will receive the additional service. Identify, as applicable, additional actions and services for unduplicated pupil subgroup(s) as defined in Education Code section 42238.01, pupils redesignated fluent English proficient, and/or pupils subgroup(s) as defined in Education Code section 52052.

Budgeted Expenditures: For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA’s budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by Education Code sections 52061, 52067, and 47606.5.

Guiding Questions:

- 1) What are the LEA’s goal(s) to address state priorities related to “Conditions of Learning”?
- 2) What are the LEA’s goal(s) to address state priorities related to “Pupil Outcomes”?
- 3) What are the LEA’s goal(s) to address state priorities related to parent and pupil “Engagement” (e.g., parent involvement, pupil engagement, and school climate)?
- 4) What are the LEA’s goal(s) to address any locally-identified priorities?
- 5) How have the unique needs of individual schoolsites been evaluated to inform the development of meaningful district and/or individual schoolsite goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
- 6) What are the unique goals for unduplicated pupils as defined in Education Code sections 42238.01 and subgroups as defined in section 52052 that are different from the LEA’s goals for all pupils?
- 7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?
- 9) What information was considered/reviewed for individual schoolsites?
- 10) What information was considered/reviewed for subgroups identified in Education Code section 52052?
- 11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to Education Code section 52052, to specific schoolsites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 12) How do these actions/services link to identified goals and expected measurable outcomes?
- 13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA’s budget?

<p>GOAL 1:</p>	<p>1. LCAP Year 1: 2016-2017

Expected Annual Measurable Outcomes:

- Six teachers were reported as missassigned, not properly authorized. LUSD will work toward 100% of teachers and staff to be appropriately assigned, as verified by the Williams report
- 100% of teachers servicing English Learners will have appropriate EL Authorization
- LUSD provides sufficient standards based instructional materials in all content areas for all students. The district will maintain the same level of sufficiency by ensuring that 100% of students will have access to Common Core and/or standards-based state board adopted instructional materials in all content areas, including English Learners, as verified by the Board approved sufficiency report.
- By the end of 15-16, 100% of teachers will be properly trained to deliver Common Core standards-based instruction in all content areas in the classroom, including Integrated and Designated English Language Development as verified by site and district observations.
- By the end of 15-16, 100% of students will receive Common Core standards- based instruction in all content areas, including Integrated and Designated English Language Development as verified by principal walk-throughs..
- LUSD provides integrated and designated ELD for all English Learners. By the end of 15-16, 100% of English Learners will receive integrated and designated English Language Development based on the 2012 ELA/ELD standards as verified by class/master schedules.
- Currently, all student have access to a broad course of study. LUSD will maintain the same level of access to ensure 100% of students K-12 will have access to and enroll in a broad course of study as described in Education code 51210 and 51220 and verified by class/Master schedules. Broad course of study is provided to all students including:
 - ELD daily for English Learners
 - Foster Youth will receive reading and math intervention when needed, as verified by assessment data.
 - Low Income students will receive reading and math intervention when needed, as verified by assessment data.
 - LUSD will continue reading intervention for Special Education students as based on the IEP.
- LUSD will maintain all facilities in accordance with industry standards as verified by the Williams report.

Goal Applies to:	Schools: ALL				
	Applicable Pupil Subgroups:	ALL			

LCAP Year 1: 2016-2017

Expected Annual Measurable Outcomes:

Based on SBAC data, LUSD will:

- Increase percentage of ALL students meeting proficiency
- Increase percentage of Low Income students meeting proficiency at a greater rate than all students
- Increase percentage of English Learner students meeting proficiency at a greater rate than all students

Currently LUSD has not met all three AMAO targets. 58% of ELS made progress toward English Proficiency. 9% of ELS were reclassified. LUSD will

- Increase percent of English Learners growing 1 or more levels per year by 1.5%, based on CELDT.
- Increase reclassification rate of English Learners 5 years or less by 1%, based on CELDT and reclassification rate.
- Increase reclassification rate of Long Term English Learners by .5%, based on CELDT and reclassification rate.

In 2013-2014 52.9% of students passed the AP exam with a score of 3 or higher. LUSD will

- Increase number of students with qualified scores by 2% on Advanced Placement tests, as verified by AP results.
- Increase AP enrollment of English Learners and Low Income students by 2% as verified by AP enrollment.

In 2014-2015 15% of 11th grade students scored "ready" on the ELA EAP to assess college readiness
 In 2014-15 7% of 11th grade students scores "ready" on the math EAP to assess college readiness. LUSD will

- Increase number of "ready" students in ELA or Math by 5% (ALL students) as verified by EAP results.

In 2013-2014 33.7% of high school students completed A-G course requirements. LUSD will

- Increase number of A-G completers by 2% (ALL students) as verified by Dataquest or CALPADS.
- Increase the number of students enrolling and successfully completing (with a grade of "C" or better) A-G, AP, and CTE courses

1% of students completed a CTE 4year pathway . LUSD will

- Increase percent of students completing a CTE 4 year pathway as verified by State priority snapshot.

Annual Update

Annual Update Instructions: For each goal in the prior year LCAP, review the progress toward the expected annual outcome(s) based on, at a minimum, the required metrics pursuant to Education Code sections 52060 and 52066. The review must include an assessment of the effectiveness of the specific actions. Describe any changes to the actions or goals the LEA will take as a result of the review and assessment. In addition, review the applicability of each goal in the LCAP.

Guiding Questions:

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to Education Code section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific schoolsites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

Complete a copy of this table for each of the LEA's goals in the prior year LCAP. Duplicate and expand the fields as necessary.

Section 3: Use of Supplemental and Concentration Grant funds and Proportionality

A. In the box below, identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner pupils as determined pursuant to 5 CCR 15496(a)(5).

Describe how the LEA is expending these funds in the LCAP year. Include a description of, and justification for, the use of any funds in a districtwide, schoolwide, countywide, or charterwide manner as specified in 5 CCR 15496.

For school districts with below 55 percent of enrollment of unduplicated pupils in the district or below 40 percent of enrollment of unduplicated pupils at a schoolsite in the LCAP year, when using supplemental and concentration funds in a districtwide or schoolwide manner, the school district must additionally describe how the services provided are the most effective use of funds to meet the district’s goals for unduplicated pupils in the state and any local priority areas. (See 5 CCR 15496(b) for guidance.)

Total amount of Supplemental and Concentration grant funds calculated:	<u>\$36,237,001</u>
<p>Lodi Unified believes that a strong instructional program should be the entry point for supporting all students, especially those at risk. For this reason, Lodi Unified has chosen to use the majority of its proportionate share of the total LCFF increase to strengthen core instructional programs. Resources would be primarily focused on increased technology aligned to Common Core, instructional coaching support, assessments, services to support the social and emotional health of Foster Students, and Professional Development opportunities to support EL students. A complete and detailed explanation can be found in Section 2 of this LCAP document.</p>	
<p>For the current LCAP year, Lodi Unified is providing the following services district-wide:</p>	
<ul style="list-style-type: none"> • Maintaining highly qualified teachers and support staff • Provide instruction based on the needs of the students, including Target Groups • Intervention in Reading and Math K-12 • Professional Development for staff on various topics such as Marzano’s Highly Effective Teaching Strategies, access to core for English Learners, integrating technology into the curriculum, Antibullying • Professional Development for staff on how to create a welcoming environment • Professional Learning Communities • Provide Common Core materials and textbooks • Teacher technology support / Pupil devices • Instructional coaching support • District Local Assessments • Data Management system • Increased Counseling services • Class size ratio • Community Liaison Support • Child Welfare and Attendance staff • Community Outreach • Student behavioral support • Parent trainings and workshops • Increased Parent communication • Increasing diversity among staff to better represent the student population • Safety and security measure – Antibullying 	

- Comprehensive Summer School Program

The core academic instructional program is strengthened through high quality professional development, parent involvement and Interventions. High quality teachers, instructional materials, class size, and a secure and safe environment are necessary to increase student achievement.

Professional Development is principally directed and effective in meeting the needs of the District's unduplicated pupils. All services are based on review of student and district data. The review of data includes all state requirements. Districtwide spending is justified because all students benefit from highly qualified and trained teachers and staff who provide learning opportunities that are inclusive and effective for all students but specific to meeting the individual needs of Low Income, Foster Youth and English Learners.

Professional development is targeted for the specific needs of:

- English Learners – Common Core, Data review, Interventions, Technology Integration, Coaching support, PLC's, Antbullying, ELA/ELD standards training, Designated and Integrated ELD
- Foster Youth – Common Core, Data review, Interventions, Technology Integration, Coaching support, PLC's, SAFE program, Antbullying
- Low Income - Common Core, Data review, Interventions, Technology Integration, Coaching support, PLC's, SAFE program, Antbullying
- Special Education - Common Core, Data review, Interventions, Technology Integration, PLC's, Effective teaching strategies for differentiation, Antbullying

Emotional and Social Interventions are principally directed and effective in meeting the needs of the District's unduplicated pupils. All services are based on review of student and district data. Districtwide spending is justified because all students benefit from emotional and social interventions and support but specific to and with an additional layer of support services that focus on meeting the individual needs of Low Income, Foster Youth and English Learners. Services are targeted for the specific needs of:

- English Learners – – Counseling services, Community outreach, Student behavior support, Child Welfare and Attendance services, safety and security measures
- Foster Youth – Counseling services, Community outreach, Student behavior support, Child Welfare and Attendance services, safety and security measures, SAFE program
- Low Income - – Counseling services, Community outreach, Student behavior support, Child Welfare and Attendance services, safety and security measures, SAFE program
- Special Education - – Counseling services, Community outreach, Student behavior support, Child Welfare and Attendance services, safety and security measures

Parent Involvement support is principally directed and effective in meeting the needs of the District's unduplicated pupils. Districtwide spending is justified because promoting and developing parent involvement is crucial to the success of all pupils and the most effective in meeting the needs of Low Income, Foster Youth and English Learners.

Research says that pupils whose parents are involved in their educational program are more likely to excel academically. All services are based on review of student, parent and district data. Parent support targets the needs of:

- English Learners – Parent trainings and workshops, Increased parent communication, Customer service to create a welcoming environment, Community Liaison support, Bilingual Paraprofessional support
- Foster Youth - Parent trainings and workshops, Increased parent communication, Customer service to create a welcoming environment,
- Low Income - Parent trainings and workshops, Increased parent communication, Customer service to create a welcoming environment,
- Special Education - Parent trainings and workshops, Increased parent communication, Customer service to create a welcoming environment,

B. In the box below, identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all pupils in the LCAP year as calculated pursuant to 5 CCR 15496(a).

Consistent with the requirements of 5 CCR 15496, demonstrate how the services provided in the LCAP year for low income pupils, foster youth, and English learners provide for increased or improved services for these pupils in proportion to the increase in funding provided for such pupils in that year as calculated pursuant to 5 CCR 15496(a)(7). An LEA shall describe how the proportionality percentage is met using a quantitative and/or qualitative description of the increased and/or improved services for unduplicated pupils as compared to the services provided to all pupils.

17.2	%
3	

Currently, in Lodi Unified, the increase in proportionality for English Learners, Low Income, Foster Youth students is 17.23% for the LCAP year, 2016-2017. In order to ensure equity, we recognize the need to improve and expand services for our most at risk students. The following actions go above and beyond the proportionality requirement for the District.

Keeping in line with Lodi Unified core vision and goals, the 2016-2017 LCAP actions and services are specifically designed to increase achievement for English Learners, Low Income, and Foster Youth students. The District will focus energy and resources in four key areas that collectively address the 8 LCFF priorities

1. LUSD will promote and create learning environments with highly qualified personnel that will maximize access to the academic core for all, including Low Income, English Learners, Reclassified, Foster Youth and Special Education students, as well as provide enrichment opportunities to prepare our students to be college and career ready.
2. All students including targeted students will demonstrate proficiency in literacy, mathematics and technology to prepare students to be college and career ready.
3. LUSD schools will be positive and supportive learning environments that provide maximum opportunities for each student to succeed.
4. All LUSD sites will provide outstanding customer service and will be maintained in order to enhance safety and remain attractive at all times.

Specific actions to support these key areas include, but are not limited to, increased access to college and career pathways, equitable distribution of instructional technology, targeted literacy interventions, counseling services, and Professional Development addressing the needs of targeted groups as indicated in the LCAP.

LOCAL CONTROL AND ACCOUNTABILITY PLAN AND ANNUAL UPDATE APPENDIX

For the purposes of completing the LCAP in reference to the state priorities under Education Code sections 52060 and 52066, the following shall apply:

(a) “Chronic absenteeism rate” shall be calculated as follows:

- (1) The number of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30) who are chronically absent where “chronic absentee” means a pupil who is absent 10 percent or more of the schooldays in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays.
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

(b) “Middle School dropout rate” shall be calculated as set forth in California Code of Regulations, title 5, section 1039.1.

(c) “High school dropout rate” shall be calculated as follows:

- (1) The number of cohort members who dropout by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
- (2) The total number of cohort members.
- (3) Divide (1) by (2).

(d) “High school graduation rate” shall be calculated as follows:

- (1) The number of cohort members who earned a regular high school diploma [or earned an adult education high school diploma or passed the California High School Proficiency Exam] by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
- (2) The total number of cohort members.
- (3) Divide (1) by (2).

(e) "Suspension rate" shall be calculated as follows:

- (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

(f) "Expulsion rate" shall be calculated as follows:

- (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).
