School Accountability Report Card Reported Using Data from the 2018—19 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

 Principal, San Joaquin County Special Education

About Our School

San Joaquin County Office of Education Programs serves severely handicapped students from birth to 22 years of age in two special centers and 96 classrooms integrated on public school sites. An Early Start Program is provided for children birth to 3 years of age in which services are provided in the natural environment of the home. Young adult students (18-22 years) are served at community-based locations. Handicapped conditions include autism, intellectual disabilities, deaf/hard of hearing, severe emotional disturbance, orthopedic impairment, severe language impairment, and other health impairment. Guided by students' Individual Education Plan, classes focus on a functional skills curriculum particularly in areas of communication, academics, independent living, social/adaptive skills, and vocational training.

School Description and Mission Statement (School Year 2019—20)

The San Joaquin County Office of Education Special Education Programs supports every student's right to an education designed to meet individual needs. It is essential to provide experiences that will enable students to (1) attain their ultimate functioning level, (2) learn in a normalized, comfortable, secure environment that is not limited by physical barriers, and (3) develop those critical skills and attitudes necessary to adapt and function in everyday life. Ultimately, we believe in the "whole individual." All students are active learners and have the potential for growth. It is our goal to protect and nurture personal dignity, ensure health and safety, and promote understanding of the individual.

School Facility Conditions and Planned Improvements

All the facilities owned and utilized by the San Joaquin County Office of Education are reviewed on a regular schedule by the maintenance staff. They are on the school campuses daily for our center-based programs and visit each satellite class once a week to make sure all facilities are safe and in good condition. The restrooms and classes are checked daily and a high standard of classroom hygiene procedures have been adopted.

Our two centers, John McFall and Redwood School, completed modernization at the beginning of the 2005-2006 school year. For the 2016-2017 school year, 5 new classes were added to expand our autism and severely handicapped programs.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in ELA and Mathematics for All Students
Grades Three through Eight and Grade Eleven
Percentage of Students Meeting or Exceeding the State Standard**

Subject	School 2017–18	School 2018–19	District 2017–18	District 2018–19	State 2017–18	State 2018–19
English Language Arts / Literacy (grades 3-8 and 11)	4.0%	17.0%	35.0%	38.0%	50.0%	50.0%
Mathematics (grades 3-8 and 11)	7.0%	0.0%	24.0%	25.0%	38.0%	39.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019–20)

Parents play a vital role in the education of their children. Opportunities for parents to participate in their child's education include assisting in classrooms, attending workshops established for Early Start parents, participating in the Community Advisory Committee, and parent training groups for children with autism. The County Programs are also training parents to support parents as part of the continuum of Alternate Dispute Resolution options. Although parents come from all over the San Joaquin County SELPA, they go the extra mile to participate in fundraisers, school events and support their child's learning at home.

School Safety Plan (School Year 2019—20)

All Special Education Program school sites have a comprehensive school safety plan in accordance with the Safe Schools policy, which includes a specific emergency operations plan. In compliance with SB 187, the plan is reviewed and revised annually for each school site. Site safety plans are aligned with the National Incident Management System (NIMS) and California Standardized Emergency Management Systems (SEMS) utilizing Incident Command Systems (ICS). Each document is prepared for the use of employees at a specific school site in the event of an emergency, disaster, or crisis situation. At the beginning of each school year, Special Education Programs school site staff update their site-specific Emergency plan. The site-specific Emergency plan includes the site safety plan, San Joaquin County Office of Education's Disaster Plan, updated sitemaps/evacuation routes, and Emergency Medical Services Authority (EMSA), EMSA emergency first aid guidelines of California Schools. Schools are issued first aid kits and "grab and go" emergency packs in the event of an evacuation. The school nurse collaborates with parents/guardians of students with special needs in order to provide medical emergency kits in accordance with their Individualized School Health Plan (ISHP). A copy of the Emergency Plan binder is housed at the school site and the Special Education Program Director's office and is available for parent/guardian review. Special Education Programs also collaborates with community agencies that focus on violence prevention and who provide direct services to students/families; i.e. mental health clinicians, Child Abuse Prevention Council, Fathers, Families, Peacekeepers.

The Alert, Lockdown, Inform, Counter, and Evacuate (ALICE) professional development training was provided for all Administrative, Support and Teaching staff at the beginning of the 2018-19 school year.
